

# Grow your students' potential with the *TOEFL Junior*® Standard test.

Setting the right foundation for your students' English-language journey can make all the difference. That's why it's important to have well-designed and objective measures that can help you guide them to reach their full potential.

The *TOEFL Junior*® **Standard test**, intended for students ages 11+, is an accurate and reliable measure of your students' communicative skills in English. Based on the rich heritage of the *TOEFL*® test, the *TOEFL Junior* Standard test helps you pinpoint your students' strengths and challenges.

Like all tests in the *TOEFL Family of Assessments*, the *TOEFL Junior* Standard test is based on solid research to ensure fairness, validity and reliability, and reflect best practices in language testing.

## Discover the ways *TOEFL Junior* scores can help you

- **Determine** whether your students have sufficient **communicative English skills** to succeed in a classroom that uses English for instruction
- **Place students** in English-language programmes so they are matched with level-appropriate instruction
- **Monitor progress** over time to gauge students' learning and proficiency (new test forms available each year)
- **Use score reports** and performance feedback to tailor English instruction and guide conversations with parents
- **Advise students** on appropriate book selections based on **Lexile® measures, from MetaMetrics®**, to improve their English reading proficiency [www.lexile.com/toefljunior](http://www.lexile.com/toefljunior)
- **Map student achievement** to the Common European Framework of Reference (CEFR) for international benchmarking

Conveniently offered in paper-based format, the *TOEFL Junior* Standard test is easy for any programme to administer. It is a good choice for institutions and programmes looking for flexibility and quick scoring turnaround.
